What's the Guaranteed Ride Home?

Whether at work or at school. The Guaranteed Ride Home (GRH) Program will reimburse a Uber, Lyft, or Taxi Ride home.

Who can use it?

GRH is available to all resident in the Alamo Area (Bexar, Comal, Guadalupe, and parts of Kendall County). Users must have an Alamo Commutes account (available though the app store) and must have 3 trips logged with in the past 7 days of their request.

When can you use it?

Qualifying emergencies may include:

- Personal or family emergency (e.g., break-in at home, home maintenance emergency, child suspended from school)
- Personal or family illness
- Unscheduled overtime
- Typical commuting mode becomes unexpectedly unavailable (e.g., vanpool vehicle breaks down)
- Transportation to a hospital or doctor's office following an on-the-job injury

How do you use it?

Step One: When an emergency arise, take your Uber, Lyft, Taxi ride home. You may make one stop along the way.

Step Two: Open the Alamo Commutes app and redeem the Guaranteed Ride Home Reward.

Step Three: Fill out the reimbursement form emailed to you and send it back within 7 days of taking your trip.
