

# ALAMO COMMUTES

## Mobile App

### TRIP PLANNING

Users can plan multi-modal trips with fixed-route transit, , and other transportation options.

### RIDE MATCHING

Users can find rides based on mode (e.g., carpool), organization, gender and more.

### TRIP TRACKING

Users record their greener trips and earn rewards. Trips can also be tracked using Scoop, Strava, MapMyRide, and more.

### REWARDS

Users earn points for tracking their trips, which can be redeemed for rewards. Thousands of rewards are included through Entertainment.

## Emergency Ride Home Program

If you are at work or school with no car and an emergency arises, Alamo Commutes will reimburse an emergency Uber/Lyft ride home.
